TECHNICAL SKILLS

- HTML
- CSS
- Bootstrap 5
- RESPONSIVE DESIGN
- JAVASCRIPT
- FIGMA
- ADOBE XD
- USABILITY TESTING

ACTIVITIES

- I pioneered a **Mentorship Programme** through the support of my high-school principal, nurtured and empowered over 3000 enrolling high school students and over 500 Student Leaders in Kikuyu sub-County.

- In 2019 I became an Enumerator in Census where I was able to interact with my local communities and bring solutions. Through the local assistance Chief and teaming up with a few young people we were able to start a community support program to enroll some of the children who have never been to school irrespective primary education being free and compulsory in Kenya.

ACTIVITIES

- Writing blogs on emerging technologies
- Hiking.
- Bike riding
